Fun Facts from Nantucket

1. The name Nantucket is derived from an Indian word meaning “faraway land” or “land far out to sea.” Nantucket is an island, a county and a town – the only place in America with the same name for all three.

2. Nantucket was home port to two ships involved in the Boston Tea Party - the Beaver and the Dartmouth. They were owned by the Rotch family whose offices were located in the brick building at the foot of Main Street, now the Pacific Club.

3. Nantucket was populated by approximately 1,500 Native Americans of the Wampanoag Tribe when it was discovered by Captain Bartholomew Gosnold in 1602.

4. Herman Melville based Moby Dick on the ramming of the Nantucket ship Essex by an angry whale in 1820. He received his information from Owen Chase, a mate on the Essex who kept the ship’s log.[a](#)
