Nantucket Rental property weekly rates range from approximately \$3,500 to upwards of \$75,000 per week!

The most common rental prices range from \$3,500 to \$7,000 a week for a 3 to 4 bedroom house, located either close to town or within close proximity to a beach. Waterfront estate-like settings with views, pools, and tennis courts command the highest prices in the \$40,000 to \$75,000 per week range.

The first three weeks of August are the most popular, followed by the fourth of July week. June and September are less crowded and may be a better choice for the budget conscious.

Most in-season rentals turnover on Saturday. Discounts may be possible for multi-week rentals.
